## Afghan girls attacked for attending school

Two girls were attacked with acid on their way to school in Afghanistan last November. They say they are more determined than ever to get an education -- despite continued threats. "I have to do something for my country, I must get to school," one told CNN. [Full Story](#) | [Video](#) 🇺🇸

#### India's crushed slums

Many Westerners got their first glimpse of India's poor in the recent hit film, "Slumdog Millionaire." The film depicts India's poor living in suffocating squalor. Life for India's real poor isn't much better and a controversial move in one Indian city is making things worse, some say. [Full Story](#) | [Video](#) 🇺🇸

#### Unclean water and cholera

The Zimbabwean government declared a national emergency in the face of a cholera outbreak that has killed hundreds of people. Unclean drinking water and a poor sanitation system are blamed for the spread of the disease. [Story](#) | ['Elephant pump' fights cholera](#) 🇺🇸 | [What is cholera?](#)
